LINING OUT STOCK OF EVERGREENS

For Immediate Delivery

Last Call — February 15, 1926

Many items on our last list are entirely sold out.

Mahonia aquifolia seedlings, 3-5," @ \$10 M; 5 M up @ \$7.50.

Mahonia aquifolia seedlings, 5-12," @ \$25 M; 5 M up @ \$20.

Mahonia aquifolia transplants, 8-15," @ \$10 C.

(The above is the Oregon Holly Grape, which is becoming very popular as a broad-leaved evergreen shrub all over the United States.)

Cotoneaster Simonsii seedlings, 6-12," @ \$5 C; \$40 M.

Arizonica Cypress seedlings, 6-8," @ \$5 C; \$40 M.

Arizonica Cypress seedlings, 10-12," @ \$6 C; \$50 M.

Cotoneaster horizontalis transplants, 6-12," \$12 C; \$100 M.

Cotoneaster microphyllia transplants, 6-12," \$12 C; \$100 M.

Cotoneaster thymifolia transplants, 6-8," \$12 C; \$100 M.

Erica stricta transplants, 4-6," @ \$12 C; \$100 M.

Veronica cupressoides, 4-6," globe @ \$12 C; \$100 M.

This is the most beautiful of all the veronicas, growing into a perfect globe shape two feet or more in diameter, with light green foliage. Fine for boxes, tubs or for formal planting.

Auracaria imbricata transplants, 3-4," @ \$20 C.

(This is the Chilean pine or "Monkey Tree," and is the only available stock we know of in the United States.)

Veronica buxifolia transplants, 4-6," @ \$12 C; \$100 M.

Pittosporum Tobira transplants, 4-6," @ \$10 C; \$85 M.

We are sold out on *Sorbus aucuparia* seedlings (European Mountain Ash), but are now signing contracts for next fall delivery. If interested in quantity lots, let us give you our quotation.
